

**INSTRUCTIONS FOR TRANSFERRING A MULTISTATE BAR EXAMINATION  
(MBE) SCALED SCORE**

1. An applicant may transfer a February 2012, July 2011, February 2011, or July 2010 MBE scaled score to Connecticut. **The election to use a prior score or to sit for the concurrent MBE must be made by February 16, 2012.** Thus, an applicant cannot elect to use a February 2012 MBE score in his/her bar application and then opt to use a prior MBE score after February 16, 2012. Also, to be acceptable, the score must have been taken as a part of a bona fide bar examination in the other jurisdiction. **Be sure you request the transfer of your MBE score not later than February 1, 2012.**
  
2. **(a) You only have to complete one transfer form.** For example, if you use the NCBE on-line MBE transfer service to transfer your New Jersey February 2012 score to Connecticut, you do not have to submit Form 46. (b) If you are using a prior score obtained in Connecticut, you do not have to complete a transfer form. (c) If you have previously transferred your MBE score in connection with a prior Connecticut exam, you do not have to transfer the score again, but please let us know that your score is already on file.
  
3. **You must be sure that the Connecticut Bar Examining Committee (CBEC) will receive your score by March 30, 2012.** Article V-7 (B) makes this your responsibility and you should check with the transferring jurisdiction to ascertain their policies. You are advised to obtain a commitment that your score will be transferred by them in time to meet the CBEC's deadline. If the transferring jurisdiction will not transfer your score by March 30, 2012, then you will receive a "0" on the MBE and will fail the bar examination in Connecticut.
  
4. Please note that some jurisdictions will not permit the CBEC to release your MBE score to you and/or will not provide you with your MBE score. Without this information, the CBEC believes that an applicant cannot make an informed choice regarding transfer of his/her MBE score. Your election to transfer an MBE score without knowing that score is at your own risk.
  
5. Complete Question #12 on the application relating to transfer of MBE scores. There are several different forms/methods for transferring an MBE score to Connecticut. Please use the correct form/method as indicated below.
