AMENDMENT TO THE RULES OF APPELLATE PROCEDURE

**CHAPTER 63
FILING THE APPEAL; WITHDRAWALS****Sec. 63-4. Additional Papers To Be Filed by Appellant and Appellee [when Filing Appeal] Subsequent to the Filing of the Appeal**

(a) Within ten days of filing an appeal, the appellant shall also file with the appellate clerk the following:

(1) A preliminary statement of the issues intended for presentation on appeal. If any appellee wishes to: (A) present for review alternative grounds upon which the judgment may be affirmed; (B) present for review adverse rulings or decisions of the court which should be considered on appeal in the event the appellant is awarded a new trial; or (C) claim that a new trial rather than a directed judgment should be ordered if the appellant is successful on the appeal, that appellee shall file a preliminary statement of issues within twenty days from the filing of the appellant's preliminary statement of the issues.

Whenever the failure to identify an issue in a preliminary statement of issues prejudices an opposing party, the court may refuse to consider such issue.

(2) A certificate stating that no transcript is deemed necessary, or a copy of the transcript order acknowledgment form (JD-ES-038) with section I thereof completed, filed with the official reporter pursuant to Section 63-8. If any other party deems any other parts of the transcript necessary, that party shall, within twenty days from the filing of the appellant's transcript papers, file a copy of the order form (JD-ES-038), which that party has placed in compliance with Section 63-8.

If the appellant is to rely on transcript delivered prior to the taking of the appeal, an order form (JD-ES-038) shall be filed stating that an electronic version of a previously delivered transcript has been ordered. The detailed statement of the transcript to be relied on required by Section 63-8 also must be filed. If any other party deems any other parts of the transcript necessary, and those parts have not been delivered at the time of the taking of the appeal, that party shall have twenty days to order those additional parts. If any other party is to rely on transcript delivered prior to the taking of the appeal, an order form (JD-ES-038) shall be filed within twenty days, stating that an electronic version of a previously delivered transcript has been ordered.

(3) A docketing statement containing the following information to the extent known or reasonably ascertainable by the appellant: (A) the names and addresses of all parties to the appeal, the names, addresses, and e-mail addresses of trial and appellate counsel of record, and the names and addresses of all persons having a legal interest in the cause on appeal sufficient to raise a substantial question whether a judge should be disqualified from participating in the decision on the case by virtue of that judge's personal or financial interest in any such persons; (B) the case names and docket numbers of all pending appeals to the Supreme Court or Appellate Court which arise from substantially the same controversy as the cause on appeal, or involve issues closely related to those presented by the appeal; (C) whether a criminal protective order, civil protective order, or civil restraining order was requested or issued during any of the underlying

proceedings; [(C)] (D) whether there were exhibits in the trial court; and [(D)] (E) in criminal and habeas cases, the defendant's or petitioner's conviction(s) and sentence(s) that are the subject of the direct criminal or habeas appeal[,] and whether the defendant or petitioner is incarcerated. [as a result of the proceedings in which the appeal is being filed.] If additional information is or becomes known to, or is reasonably ascertainable by the appellee, the appellee shall file a docketing statement supplementing the information required to be provided by the appellant.

When an appellant or an appellee is aware that one or more appellees have no interest in participating in the appeal, the appellant and any other appellees may be relieved of the requirement of certifying copies of filings to those appellees by designating the nonparticipating appellee(s) in a section of the docketing statement named "Nonparticipating Appellee(s)." This designation shall indicate that if no docketing statement in disagreement is filed, subsequent filings will not be certified to those appellees.

If an appellee disagrees with the nonparticipating designation, that appellee shall file a docketing statement indicating such disagreement within twenty days of the filing of that designation. All documents filed on or before the expiration of the time for an appellee to file a docketing statement in disagreement as stated above shall be delivered pursuant to Section 62-7 (b) to all counsel of record. If no docketing statement in disagreement is filed, subsequent filings need not be certified to nonparticipating appellees.

(4) In all noncriminal matters, except for matters exempt from a preargument conference pursuant to Section 63-10, a preargument conference statement.

(5) A constitutionality notice, in all noncriminal cases where the constitutionality of a statute has been challenged. Said notice shall identify the statute, the name and address of the party challenging it, and whether the statute's constitutionality was upheld by the trial court. The appellate clerk shall deliver a copy of such notice to the attorney general. This section does not apply to habeas corpus matters based on criminal convictions, or to any case in which the attorney general is a party, has appeared on behalf of a party, or has filed an amicus brief in proceedings prior to the appeal.

(6) In matters in which documents are under seal, conditionally or otherwise, or limited as to disclosure, a notice identifying the time, date, scope and duration of the sealing order with a copy of the order. (See Section 77-2.)

(b) Except as otherwise provided, a party may as of right file amendments to the preliminary statement of issues at any time until that party's brief is filed. Amendments to the docketing statement may be filed at any time. Amendments to the transcript statement may be made only with leave of the court. If leave to file such an amendment is granted, the adverse party shall have the right to move for permission to file a supplemental brief and for an extension of time. Amendments to the preargument conference statement shall not be presented in writing but may be presented orally at the preargument conference, if one is held.

(c) Failure to comply with this rule shall be deemed as sufficient reason to schedule a case for sanctions under Section 85-3 or for dismissal under Section 85-1.
