Litchfield Family Services Staff Recognized for “Gold Medal Service”

The Judicial Branch Court Operations 9th Annual Service Excellence Week was celebrated during October 5-9, 2015. The theme for this year was “Gold Medal Customer Service” and each Clerks’ Office throughout Connecticut designed fun and creative activities to recognize co-workers, and others, for their actions in providing service excellence to the public.

In honor of this year’s theme, the Litchfield Clerks’ office recognized the employees of the Litchfield CSSD Family Services “for their valued service and commitment.” According to Brandon Pelegano, Chief Clerk, “without Family Services and the work they do, our system would undoubtedly grind to a halt.”

The Clerks’ office treated Family Services staff to lunch on October 7th. Roger Frigon, Family Supervisor I said that the office has always shared great relationships with other courthouse staff, and the folks in the Clerks’ office are especially gracious and congenial. “It’s so nice of them to extend this recognition to us,” said Frigon.

In addition to lunch, Frigon and his staff were also presented with “gold medals” as part of the celebration.
