

2023-021 Proposal to amend Practice Book Section 31a-14 to explicitly include the requirement that an assessment be conducted by a clinical coordinator for a juvenile with a delinquency charge prior to the court ordering a thirty-day Solnit Center hospitalization and evaluation.

First time being considered.

a. Proposal (new material)

2023-022 Proposal to amend Practice Book Section 26-1 to include the definitions of a clinical coordinator and service memorandum as they are referred to in the proposed revised Practice Book §§ 31a-14, 30a-5, and 30a-8.

First time being considered.

a. Proposal (new material)

2023-023 Proposal to adopt a new rule which would require the state to provide detailed pretrial notice of an intent to present prior uncharged sexual misconduct, bringing Connecticut into alignment with the federal rules and a number of state jurisdictions that allow such evidence.

First time being considered.

a. Proposal (new material)

2023-MISC Such other matters as may come before the Rules Committee.
