

The Families First Coronavirus Response Act (FFCRA) Paid Leave Provision

The Families First Coronavirus Response Act (FFCRA) paid leave provisions are effective as of April 1, 2020, and can be used by eligible employees through December 31, 2020. In compliance with the FFCRA the Judicial Branch has attached a link to the Notice of Employees rights published by the Department of Labor. Please note, not all Judicial Branch employees will be eligible for paid leave under the FFCRA as some employees may be exempt. The Judicial Branch is currently in the process of determining which groups of employees are eligible, and which groups are exempt. The Judicial Branch will notify employees of any future developments regarding the implementation of the FFCRA.
