

**STATEMENT FROM CHIEF COURT ADMINISTRATOR PATRICK L. CARROLL III**  
**MARCH 25, 2020**

The Judicial Branch learned today that an employee assigned to the Danbury courthouse clerk's office, located at 146 White St., tested positive for COVID-19. Upon learning of this test result, the courthouse was immediately closed for comprehensive cleaning and sanitization.

Thereafter, a review of the business flow into the Danbury court over the last three days was conducted. In light of the very low flow of business into the Danbury courthouse during that time period, I have decided to keep the courthouse closed until further notice.

As such, I have transferred all cases that would otherwise be handled in the Danbury courthouse to the Waterbury GA Courthouse at 400 Grand St., effective Thursday, March 26, 2020. This transfer of business will be in effect until further notice.
