STATE OF CONNECTICUT ~ JUDICIAL BRANCH  
EQUAL EMPLOYMENT OPPORTUNITY PLAN  
EFFECTIVE JANUARY 1, 2021 – DECEMBER 31, 2022

---

**POLICY STATEMENT OF COMMITMENT**

It is hereby reaffirmed that it is the policy of the Judicial Branch of the State of Connecticut to provide equal employment opportunity to all employees and job applicants, regardless of race, color, religious creed, sex, gender identity or expression, marital status, age, national origin, ancestry, intellectual disability, mental disability, learning disability, physical disability, including, but not limited to, blindness, or status as a veteran, or criminal record unless the provisions of §46a-80(b) or 46a-81(b) of the Connecticut General Statutes are controlling or there is a bona fide occupational qualification excluding persons in one of the above protected classes. This policy applies to all aspects of the employer/employee relationship, including recruitment, selection, appointment, upgrading and promotion, evaluation, conditions and privileges of employment, training, educational assistance, compensation, benefits, transfer, discipline, layoff, recall and termination of employment.

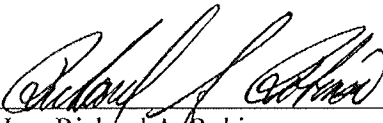

The Judicial Branch complies with the Americans with Disabilities Act (ADA) and with all federal and state law pertaining to individuals with disabilities. The terms "disability" or "disabled" as used in this policy statement and elsewhere in the Equal Employment Opportunity Plan shall be construed in a manner consistent with the ADA and other pertinent federal and state laws. To this end the Judicial Branch has appointed division representatives to the ADA Committee to ensure continued compliance with the ADA and an ongoing forum to see that needs are identified and addressed throughout the Branch. "Equal Employment Opportunity", as defined by law and governmental regulations, requires affirmative action to overcome the effects of past and present discriminatory practices, policies or other barriers to equal employment opportunity and to ensure the full and fair utilization of women, people with disabilities, and people of color in all levels of the work force.

The goal of the Judicial Branch is to achieve a work force population that is properly balanced and fully represented by women, people with disabilities, and people of color throughout the organization and to ensure true equality of employment and a work environment that is free of discrimination. Further, the Judicial Branch will make every reasonable accommodation to satisfy the needs of its applicants and employees with disabilities. If employees feel they have been discriminated against, they should contact the Administrative Services Division Human Resource Management Unit, Office of the Chief Court Administrator. The Administrative Service Division Human Resource Management Unit is authorized to review and investigate such complaints and identify and mitigate discriminatory practices.

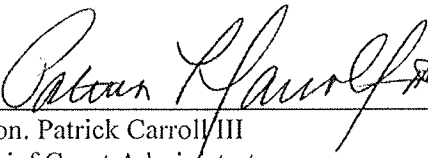

The accompanying Equal Employment Opportunity Plan for 2021-2022 sets forth the continuing course of action the Judicial Branch will take during this period in order to put forth a good-faith effort to attain the goals indicated within the fiscal constraints faced by the State. All managers and supervisors are responsible for implementing the provisions herein.

The Equal Employment Opportunity Plan will be updated and revised periodically to reflect changes in federal and/or state anti-discrimination laws. All employees of the Judicial Branch have the right to review and comment on the Equal Employment Opportunity Plan posted on the Judicial Branch Intranet Webpage. Any questions relating to details of this Plan should be referred to the Administrative Services Division Human Resource Management Unit (860-706-5280).

## OBJECTIVES FOR ACHIEVEMENT

While the Connecticut Judicial Branch has made consistent annual progress toward its equal employment opportunity goals as evidenced by the attached utilization charts that indicate movement toward a workforce that corresponds to the statewide comparison group, we must acknowledge that our opportunities to recruit new members of the workforce are limited by the fiscal constraints under which state government continues to operate. Despite these challenges, the Branch will focus our efforts on filling critical vacancies primarily through the promotion and transfer of existing employees. When opportunities to fill positions arise, every effort will be made to achieve the goals set forth above through promotion of existing employees in the targeted racial or ethnic group.

### OFFICIALS AND ADMINISTRATORS:

The Connecticut Judicial Branch will make every effort to promote women, people with disabilities, and people of color or recruit when possible, for the officials/administrators openings as set forth in the EEOP Goals on the preceding page. This recruitment effort will include the utilization of *Tribune Publishing Recruitment Services*, which incorporates major newspaper advertisers, internet recruitment services and advertisers who target women, people with disabilities, and people of color. Whenever appropriate, recruitment will be done regionally and/or nationally by advertising in professional publications and newspapers. The Branch will also continue recruitment efforts at state colleges and universities, including law schools.

**DISSEMINATION**

The Judicial Branch will take the necessary steps to ensure that its Equal Employment Opportunity Plan and sexual harassment policies are disseminated throughout all its facilities. These steps will include the following:

- Upon its approval, the Equal Employment Opportunity Plan will be posted on the Judicial Branch Intranet and Internet Webpages.
- The EEO policy statement, non-discrimination and sexual harassment policy statements will be distributed to all facilities and posted on bulletin boards throughout each location. The plan will also be posted on the Judicial Branch Intranet Website for review by employees throughout the year. The Judicial Branch, in collaboration with Human Resource Management Unit, will continue to provide support and training to employees and supervisory staff.
- All new employees will be given a copy of the EEO policy statement of commitment and informed as to the location of the Equal Employment Opportunity Plan on the Judicial Branch Intranet.
- The Executive Directors will continue to stress the importance of the EEO program and require managers and supervisors to undertake conscious and deliberate steps toward achieving the goals set forth in the Equal Employment Opportunity Plan. The Judicial Branch Administrative Policies and Procedures

Manual sets forth that EEO goals are in place and that all managers and supervisors must work for their achievement.

- Written comments addressing the Equal Employment Opportunity Plan are encouraged. These comments should be directed to the Human Resource Management Unit, Connecticut Judicial Branch, 90 Washington Street, Hartford, Connecticut.
- All EEO internal communications and written comments received will be dated and maintained within the Human Resource Management Unit.

Their mission is to monitor all employment interviews to assure that the hiring and promotional standards of the Branch are upheld.

### EXTERNAL DISSEMINATION

The Judicial Branch is committed to the goals of equal employment opportunity and affirmative action and has initiated activities to ensure that Equal Employment Opportunity is more than a paper commitment. The Equal Employment Opportunity Plan is on file with the Commission on Human Rights and Opportunities. Written expression of the commitment of the Judicial Branch to Equal Employment Opportunity and notices of job availability are sent regularly to recruiting sources and organizations that are capable of referring qualified applicants for employment.

In addition, employment advertising omits references to age or gender, except in the case of bona fide occupational qualification or need, and clearly conveys the desire of the Judicial Branch to employ members of protected classes.

The Judicial Branch is firmly committed to meeting the requirements of the Connecticut Supplier Diversity Program as mandated by the Connecticut General Statutes. The Department of Administrative Services (DAS) and the Commission on Human Rights and Opportunities (CHRO) monitor adherence to these regulations.

Under the Administrative Policies and Procedures of the Judicial Branch, the Materials Management Unit shall comply with the State policies for Supplier Diversity. CHRO guidelines require that the Judicial Branch make a good faith effort to award 25% of all non-exempt state contracts with State Certified Small Business Enterprises (SBE). Of that amount, 25% must be awarded to Minority-owned Business Enterprises (MBE) which include businesses owned by women and mentally and or physically disabled persons. A record of the performance of the Judicial Branch against established SBE goals may be found on the Department of Administrative Services' website at <http://www.ct.gov/chro/cwp/view.asp?a=2525&Q=315900&chroPNavCtr=|45679> or a

copy is available for inspection by contacting the office of the Director of Materials Management.

In addition, the Judicial Branch refrains from knowingly doing business with any bidder, contractor, subcontractor or supplier of materials barred from participation in any federal or state contract program or found to be in violation of any state or federal antidiscrimination law. All purchase orders sent to contractors or suppliers doing business with the Judicial Branch contain the requirement that the contractor or supplier comply with all state and federal laws concerning non-discrimination and warrants that the contractor or supplier will not discriminate or permit discrimination against any person or group of persons regardless of race, color, religious creed, sex, gender identity or expression, marital status, age, national origin, ancestry, intellectual disability, mental disability, learning disability, physical disability, including, but not limited to, blindness, or status as a veteran, or criminal record unless the provisions of §46a-80(b) or 46a-81(b) of the Connecticut General Statutes are controlling or there is a bona fide occupational qualification excluding persons in one of the above protected classes. Each contractor or supplier is also required, on request, to provide the Judicial Branch with information concerning employment practices and procedures. All Contractors and suppliers must also agree to make a good faith effort to employ business enterprises owned by women, people with disabilities, and people of color as subcontractors. The Judicial Branch maintains files containing the name and address of bidders, contractors and subcontractors receiving notice of its policy and contract provisions.
