

Law Schools Working Group

Charge: The Law School Working Group shall commence a review of Connecticut's *Unauthorized Practice of Law* rule and the Student Practice rules with the purpose of identifying revisions that expand the ability of law students to provide pro bono assistance to persons of limited means. In addition, the Working Group shall collaborate with Connecticut law schools to further engage law students in a variety of pro bono activities such as clinics, externships, and other training programs. Finally, this Working Group should study the feasibility of expanding law school fellowship programs to create additional partnerships such as the medical/legal and other similar legal partnerships to better serve Connecticut's low-income and disenfranchised population.
