
FY 2023-2024 Office of Victim Services Contractor List

BHcare, Inc.

Project name: Assistance, Counseling and Support (ASC) Program

Project description: The ASC program provides services to victims of domestic violence determined to be at a high risk of lethality and re-victimization, under the CT Lethal Assessment Protocol. ASC staff work with the victim to develop the initial safety plan and then to support the victim's own planning by offering advocacy, counseling by a licensed counselor, and long-term case management, including education about community resources, dynamics of domestic violence, impact of trauma, and navigation through the criminal/civil/family court system. The purpose of these services is to reduce the re-victimization rate among the high-risk victims, reduce domestic violence-related homicides, and improve safety and outcomes for this population. The agency provides services to the cities and towns of Ansonia, Beacon Falls, Bethany, Branford, Derby, East Haven, Guilford, Hamden, Madison, Milford, New Haven, North Branford, North Haven, Orange, Oxford, Seymour, Shelton, West Haven, and Woodbridge.

Website: www.bhcare.org

BHcare, Inc.

Project name: HOPE Family Justice Center

Project description: The HOPE Family Justice Center is a one-stop center for victims of domestic violence. The Center collaborates with over 100 public and private agencies to provide free wraparound services to domestic violence victims and their families at a single location. Services include advocacy and counseling, bridging access to the safe houses, safety planning, criminal and civil advice, support groups, transportation needs, housing, social services, in-home counseling, employment assistance, education for legal aid, immigration issues, restraining order assistance, spiritual support, medical, victim witness assistance, child support services, mental health referrals, interpreting services, and physical fitness programs including meditation and self-defense. Services are provided to victims of domestic violence, child abuse, sexual assault, and elder abuse in the Greater New Haven area.

FY 2023-2024 Office of Victim Services Contractor List

Connecticut Alliance to End Sexual Violence

Project Name: Comprehensive Services for Victims of Sexual Violence Project

Project Description: The Connecticut Alliance to End Sexual Violence and its nine community-based sexual assault crisis service centers, will provide primary and secondary adult, adolescent, and child victims of sexual violence with confidential and no-cost legal services, post-conviction services, and intervention and advocacy services. These services include, but are not limited to, short-term crisis counseling; safety planning and support; accompaniment and emotional support through law enforcement, medical, court, and campus-based system interventions; personal advocacy, information and referral; case management; support groups; legal services; and victim notification and post-conviction victim services. Services will be available at the member centers and through the 24-hour English and Spanish sexual assault crisis hotlines. The Alliance also works to raise awareness about sexual violence and services available to victims, provides community education, and engages with other community-based and state-run agencies to develop collaborative responses to sexual violence in communities.

Website: www.endsexualviolencect.org

Connecticut Alliance to End Sexual Violence

Project Name: Sex Offender Victim Advocate Program

Project Description: Victim advocates serve as team members of the statewide Sex Offender Supervision Units. The victim representatives provide supportive services to victims of sex offenders who are released on probation; and serve as a liaison between the victim and the unit, ensuring that each victim has an opportunity to provide input into the process. Services are provided statewide.

Website: www.endsexualviolencect.org

FY 2023-2024 Office of Victim Services Contractor List

Connecticut Children's Medical Center

Project Name: Connecticut Children's Sexual Abuse Medical Services for Northern CT

Project Description: The program ensures that medical services for sexually abused children are available routinely in all communities in Northern Connecticut, and that current standards of care are met in all of these communities. The project supports established regional examiners; satellite services to northern areas of the state without such services; and ongoing education for statewide examiners. The agency serves cities and towns of Hartford County, Tolland County, Litchfield County, Windham County, the Greater Danbury Area, and the Greater Waterbury Area.

Website: www.connecticutchildrens.org

Connecticut Coalition Against Domestic Violence, Inc.

Project Name: Safe Connect Program

Project Description: The Safe Connect Statewide Services Line provides a single point of entry into domestic violence services statewide by establishing an information and services line. Advocates will triage callers, using risk assessment tools, best practices, and resources to provide strength-based crisis intervention responses that will aid in stabilizing the immediate matter.

Website: www.ctcadv.org

Connecticut Coalition Against Domestic Violence

Project Name: Services to Victims of Family Violence

Project Description: The Connecticut Coalition Against Domestic Violence subcontracts with a statewide network of domestic violence advocates to provide a continuum of services to court-based, community, and residential victims of family violence. Specific services include crisis intervention, counseling, safety planning, legal advocacy, support groups, information and assistance with accessing CT-SAVIN, as well as victim compensation.

Website: www.ctcadv.org

FY 2023-2024 Office of Victim Services Contractor List

Connecticut Council of Family Service Agencies (CCFSA)

Project Name: CCFSA VOCA Case Management Program

Project Description: The VOCA Case Management Program provides a coordinated case management system for victims of all eligible crimes, with an emphasis on victims of child abuse, domestic violence, and sexual assault; people of color; individuals living in poverty; and other marginalized groups. The case management system enhances access to and utilization of victim, mental health, and other services that help restore victims to higher levels of functioning. Case managers help mitigate existing barriers by helping victims understand their rights, navigate systems that can help them heal, and connect them to concrete and community supports. The project provides services in cities and towns served by subcontractors located in Bridgeport, Danbury, Hartford, New Britain, Stamford, West Hartford, and Willimantic.

Website: www.ctfsa.org

Connecticut Court Appointed Special Advocates

Project Name: Professional Support for Volunteer Advocacy

Project Description: The Professional Support for Volunteer Advocacy Program will sustain volunteer advocacy on behalf of the New Haven Juvenile Court (Child Protection side) children who have experienced abuse or neglect and expand services in the Waterbury court for children who have experienced abuse or neglect.

Website: www.connecticutcasa.org

Connecticut Institute for Refugees and Immigrants

Project name: Services for Foreign-Born Victims of Domestic Violence, Sexual Abuse, and Child Abuse Program

Project Description: This project provides case management services to foreign-born victims of domestic violence, sexual assault, and child abuse. The Case Manager will work with clients to connect them with social services to facilitate healing and to assist CIRI's Legal Services team in applying for immigration relief for victims of domestic violence, sexual abuse, and child abuse under programs such as VAWA, U-Visa, and Special Immigrant Juvenile Status. The agency services victims in the greater Bridgeport, Hartford, and Stamford regions.

Website: www.cirict.org

FY 2023-2024 Office of Victim Services Contractor List

Connecticut Legal Services

Project Name: Civil Legal Services for Victims of Crime

Project Description: Connecticut Legal Services, in partnership with Greater Hartford Legal Aid, New Haven Legal Assistance Association, Connecticut Alliance to End Sexual Violence, and the Connecticut Coalition Against Domestic Violence, operates a statewide direct services project using a network of attorneys and victim advocates to provide coordinated civil legal representation and advocacy services for crime victims.

Website: www.ctlegal.org

Domestic Violence Crisis Center

Project Name: Sustainable Futures Project

Project Description: The Sustainable Futures Project aims to help clients who have suffered from financial abuse and are at risk of becoming homeless. The project creates a pathway for domestic violence victims to access free advocacy services and support to help connect them with resources to secure permanent, affordable housing, access public assistance programs, and develop financial literacy skills to build sustainable futures for themselves and their families. The agency serves cities and towns of Darien, New Canaan, Norwalk, Stamford, Weston, Westport, and Wilton.

Website: www.dvccct.org

Family Centered Services of Connecticut

Project Name: Neighborhood Victim Advocacy Project

Project Description: The project provides victim advocacy to victims of crimes including domestic violence, child abuse, sexual abuse, elder abuse, robbery, assault, bullying, stalking/threatening, teen dating victimization, and hate and bias crimes in Greater New Haven. Victim-centered, culturally competent, and bilingual (English/Spanish) services include risk assessment, safety planning, crisis counseling, criminal and civil justice support and advocacy, transportation, assistance with compensation claims, individual and group counseling/therapy, and referrals to other needed services. All services provided in home or where victims indicate they can meet. Services are provided in New Haven and the cities and towns of East Haven, Branford, Guilford, and West Haven.

Website: www.familyct.org

FY 2023-2024 Office of Victim Services Contractor List

Family Centers, Inc.

Project Name: Counseling Services to Families of Homicide Victims

Project Description: The agency provides counseling services to family members of homicide including DUI/DWI homicide and hit and run motor vehicle homicide at the agency's clinical offices in Darien, Greenwich, and Stamford.

Website: www.familycenters.org

Gilead Community Services, Inc.

Project name: Gilead Victim Assistance Program

Project Description: The Gilead Victim Assistance Program provides trauma-informed individual and family therapy, medication management, and service navigation to adult victims of crime in the Middlesex County area, including Meriden and the surrounding towns.

Website: www.gileadcs.org

Hartford Behavioral Health

Project Name: Counseling Services to Families of Homicide Victims

Project Description: The agency provides counseling services to family members of homicide including DUI/DWI homicide and hit and run motor vehicle homicide at their clinical offices in Hartford.

Website: www.hartfordbehavioralhealth.com

Hartford Behavioral Health

Project Name: Project SAVE

Project Description: Project SAVE provides information and referral, crisis outreach, mental health, case management, and victim advocacy services to children, adults, and families affected by crime in the Greater Hartford area. The program will be expanded to include in-home and in-school treatment services. Services are provided in the City of Hartford and surrounding towns.

Website: www.hartfordbehavioralhealth.com

FY 2023-2024 Office of Victim Services Contractor List

Hartford Communities That Care

Project Name: Hartford Care Response Team/Hospital Based Violence Intervention Program

Project Description: The Hartford Care Response Team (HCRT)/Hospital Based Violence Intervention Program (HVIP) was established by Hartford Communities That Care in partnership with Saint Francis Hospital and Medical Center to address the myriad of challenges facing the underserved populations of ethnic minorities in urban areas in the City of Hartford and surrounding towns, who are primarily gunshot victims. The program will provide 24/7/365-day crisis intervention, case management support, and linkage to other services such as mental health, medical, advocacy, and the VOCA assistance program.

Website: www.hartfordctc.org

Hospital of Central Connecticut

Project Name: Victim Services Program

Project Description: The Victim Services Program will provide individual, group, and family/couples therapy for victims of sexual abuse, sexual assault, domestic violence, and adults sexually abused as children. Clients will receive education regarding victims' rights, and assistance with filing victim compensation claims. Services will be provided in English, Polish, and Spanish. Services are provided in the following cities and towns: Berlin, Bristol, Farmington, Kensington, Newington, New Britain, Plainville, Southington, and West Hartford.

Website: www.thocc.org/services/behavioral-mental-health

Human Resources Agency of New Britain

Project Name: Polish and Elderly Victim Services program

Project Description: The Polish and Elderly Victim Services Program will provide legal advocacy and case management support services specifically for Polish victims and for all elder victims of abuse and neglect in the six-town region of New Britain, Bristol, Burlington, Farmington, Plainville, and Plymouth CT.

Website: www.hranbct.org

FY 2023-2024 Office of Victim Services Contractor List

Human Services Council

Project Name: Child Abuse Trauma Recovery Response

Project Description: The Child Abuse Trauma Recovery Response Program provides a coordinated multidisciplinary response to primary and secondary victims of child abuse including advocacy, education, support, case management, and trauma treatment from the initial contact through post-conviction. The agency serves the cities and towns of Norwalk, New Canaan, Wilton, Weston, and Westport.

Website: www.hscct.org

Klingberg Comprehensive Family Services, Inc.

Project Name: Child and Adolescent Trauma Services (CATS)

Project Description: The CATS program provides systemic therapeutic intervention for child victims of physical, sexual abuse, and/or neglect, child victims/witness of domestic violence and their families, and child victims of human sex trafficking. Trauma-informed parent counseling services are provided to parents. Services are provided in Hartford County and the City of Meriden.

Website: www.klingberg.org

Klingberg Comprehensive Family Services, Inc.

Project Name: Klingberg Children's Advocacy Center (KCAC)

Project Description: The Children's Advocacy Center provides comprehensive clinical and support services to child victims of sexual abuse and/or physical abuse or neglect and their caregivers. Services include therapy, crisis counseling, translation/interpreter services, personal advocacy, follow up, information/referral contact, childcare, transportation, safety planning, criminal justice support/advocacy, and compensation claim assistance. The project serves cities and towns in the greater Hartford region including Hartford, Tolland, and Windham Counties.

Website: www.klingberg.org

FY 2023-2024 Office of Victim Services Contractor List

LifeBridge Community Services

Project Name: Domestic Violence Program

Project Description: The Domestic Violence Program clinicians work with survivors of domestic violence to help families build resilience and restore healthy functioning. Using evidence-based counseling sessions and psychiatric evaluations & medication management, the program will help participants understand and better manage symptoms of trauma, post-traumatic stress, depression, and anxiety so that adult survivors can move forward in their lives, securing employment and a safe place to live for them and their families. Services are available to all state residents. Local cities and towns that are primarily served are Bridgeport, Easton, Fairfield, Monroe, Stratford, and Trumbull.

Website: www.lifebridgect.org

LOVE146

Project Name: Connecticut Survivor Care Program

Project Description: The Connecticut Survivor Care program provides *Long-Term* services (victim compensation application assistance, information and referral services, personal advocacy/accompaniment, emotional support and safety services, and criminal/civil justice systems assistance) and *Rapid Response* services (one-time interventions that provide children with information, safety planning, and referral services) to child victims of human trafficking throughout the State of Connecticut.

Website: www.love146.org

Mid-Fairfield Community Care Center, Inc.

Project name: Mid-Fairfield VOCA

Project Description: The Mid-Fairfield VOCA Project provides a comprehensive continuum of care that wraps clinical, case management, advocacy, and other support services around children and families to meet their emotional, physical, and basic needs and stabilize their lives. The project will serve child victims of physical abuse or neglect, sexual abuse/assault, domestic violence, human sex trafficking, teen dating victimization, and/or witness to community violence. The program offers coordinated comprehensive evaluations, advocacy, case management and linkage to treatment and other social services, parent education, and individual, group, and family evidence-based mental health treatment. The project serves the cities and towns of Darien, New Canaan, Norwalk, Stamford, Westport, Weston, and Wilton.

Website: www.survivorsofhomicide.com

FY 2023-2024 Office of Victim Services Contractor List

The Salvation Army

Project Name: The Bloom Initiative

Project Description: The Bloom Initiative provides long-term, trauma-informed services to survivors of human trafficking in the Willimantic area. Services include comprehensive case management, monthly budgeting and goal setting, safety planning, and referrals to service providers when needs cannot be met in-house.

Website: www.salvationarmyusa.org/usn/

Town of Newtown

Project Name: Sandy Hook Trauma Recovery Initiative

Project Description: The project provides care navigation services and non-traditional trauma interventions for primary and secondary victims impacted by the Sandy Hook Elementary School shootings. The project serves the Town of Newtown, and victims who live in other towns in Connecticut.

Website: <https://www.newtown-ct.gov/social-services>

Village for Families and Children

Project Name: Child First Victim and Rapid Response Program

Project Description: The project provides Child First victim assistance and rapid response for children and their families. Child First provides intensive in-home, trauma treatment using the Child-Parent Psychotherapy (CPP) model and comprehensive case management. The project is designed to serve children birth to 6 years old who have been exposed to violence or trauma, and their families. Rapid Response is an immediate intervention, which conducts assessments, crisis intervention, short-term clinical services, and advocacy for children up to the age of 17 and their families who have been victimized or exposed to violence. Services are provided in the City of Hartford and surrounding communities.

Website: www.thevillage.org

FY 2023-2024 Office of Victim Services Contractor List

Waterbury Youth Services, Inc.

Project name: Child Advocacy Center of Greater Waterbury Sustainability Project

Project Description: The project provides direct services to underserved child abuse victims, advocates for child abuse victims, and works to improve the level of care that these victims receive. Project service includes the cities and towns of Greater Waterbury that are part of the G.A. 4 Judicial area, including Beacon Falls, Cheshire, Middlebury, Naugatuck, Oxford, Prospect, Southbury, Waterbury, Watertown, Wolcott, and Woodbury.

Website: www.waterburyyouthservices.org

Wellmore, Inc.

Project Name: Victim Assistance Program

Project Description: The Victim Assistance Program provides victim assistance services to child victims of crime (including sexual and physical abuse, or other trauma-related issues such as domestic violence, witnessing violence at school or in the community, or human trafficking), and their primary caregiver. Services include early identification, rapid linkage with treatment services, individual and family therapy; diagnostic evaluation, and assessment; support (including court) linkage; parent guidance; education on victim compensation rights; medication services when needed; follow-up and case management. Services are provided in the Naugatuck and Waterbury offices.

Website: www.wellmore.org

Yale New Haven Hospital

Project Name: Yale New Haven Hospital Violence Intervention Program

Project Description: The Violence Intervention Program is a multidisciplinary program that combines efforts of medical staff with community-based partners to provide safety planning, services, and trauma-informed care to violently injured people. By engaging patients in the hospital during their recovery, YNH-HVIP improves patients' lives by addressing symptoms of trauma and the upstream social determinants of health. This support continues when patients are discharged, creating a pathway for wraparound services and outpatient care. Services are provided to the cities and surrounding towns of Bridgeport, New Haven, and New London.

Website: www.ynhh.org

To make a referral, please call 203-200-HVIP(4847).

FY 2023-2024 Office of Victim Services Contractor List

Yale University School of Medicine

Project Name: Yale Programs for Safety, Advocacy & Healing

Project Description: The project serves children suspected of having been maltreated and provides their families with a family-centered and trauma-informed response. Services include forensic interview and/or a forensic medical examination, as well as case coordination in English and in Spanish for Spanish speaking sexually abused victims and their families. Child Life Services will be provided to help children prepare for and undergo forensic evaluations. The program will also provide forensic interviews of child witnesses to a violent crime and will continue the engagement efforts of the Bridging Program to ensure that sexually abused children and their families receive critical mental health care. Expert medical evaluations to previously underserved sexually abused children in the Norwalk and Stamford districts will continue. Efforts to increase the provision of expert medical evaluations of sexually abused children in the New London judicial district will continue. Project service area(s): cities and towns of the following Judicial Districts: Ansonia/Milford, Fairfield, Middlesex, New Haven, New London, and Stamford.
