### **BHcare, Inc.**

Project name: Assistance, Counseling and Support (ASC) Program

Project description: The ASC Program provides in-home long-term counseling and support to help better address the comprehensive needs of families experiencing domestic violence who are at high risk of lethality. An ASC clinician provides therapeutic interventions for cases involving trauma, substance abuse, or mental health concerns. Community Case Managers are placed in police departments identified with the highest LAP activities. Program hours have been expanded to include the most active weekend and evening hours. This expansion provides a more collaborated and immediate response between advocates and police to follow-up on those Lethality Assessment Program calls that are assessed as High Risk for Lethality. This expansion increases the availability of in-person emergency and supportive services to those in crisis. The agency provides services to the cities and towns of Ansonia, Beacon Falls, Bethany, Branford, Derby, East Haven, Guilford, Hamden, Madison, Milford, New Haven, North Branford, North Haven, Orange, Oxford, Seymour, Shelton, West Haven, and Woodbridge.
