

NOTICE REGARDING DECISIONS FOR
MOTIONS FOR EXTENSION OF TIME
EFFECTIVE MARCH 1, 2016

Beginning March 1, 2016, the official notice for orders on motions for extension of time issued by the Supreme Court and Appellate Court will be the electronic posting of the order to the Appellate file through the Appellate e-filing system. Paper notice will no longer be issued after February 29, 2016. Paper notice will continue to issue in all appeals where the litigant is exempt from electronic filing or is self-represented. The information available to counsel and the public on the activity section of the database sets forth the disposition of the motion and the extension date.

In the event an order on a motion for extension of time contains additional text that cannot be seen on the activity section or case information is not electronically available, paper notice will issue.
