<p>Fay v. Merrill . . . . .</p> <p style="padding-left: 20px;"><i>Congressional elections; action brought pursuant to statute (§ 9-329a) by Republican Party candidates in primary election for office of United States representative for Connecticut's First and Second Congressional Districts, challenging as unconstitutional application for absentee ballot adding COVID-19 as reason for absentee voting; challenge to application for absentee ballot as based on erroneous interpretation of governor's executive order; whether plaintiffs, as candidates in primary election affected by executive order, were aggrieved by that order and therefore had standing; claim that action was untimely and therefore barred by equitable defense of laches; claim that executive order was unconstitutional because it violated article sixth, § 7, of Connecticut constitution; whether executive order violated separation of powers and was void as matter of law because article sixth, § 7, commits authority over absentee voting solely to General Assembly; whether "unable to appear . . . because of sickness," as used in article sixth, § 7, encompasses specific disease or is limited to illness personally suffered by individual voter that renders him or her physically incapable of travelling to polling place.</i></p>	1
<p>State v. Smith . . . . .</p> <p style="padding-left: 20px;"><i>Felony murder; manslaughter first degree; double jeopardy; whether Appellate Court properly affirmed trial court's denial of defendant's motion to correct illegal sentence; claim that trial court incorrectly concluded that constitutional prohibition against double jeopardy was not violated when sentencing court merged felony murder and manslaughter convictions instead of vacating manslaughter conviction; whether trial court had subject matter jurisdiction over motion to correct when defendant did not allege that purported double jeopardy violation had any impact on his sentence.</i></p>	54
