

## **NOTICES OF CONNECTICUT STATE AGENCIES**

---

### **Notice of Implementation**

---

In accordance with subsection (g) of section 19a-491c of the Connecticut General Statutes, as amended, the Commissioner of the Department of Public Health hereby submits notice of implementation of the criminal history and patient abuse background search program with respect to residential care homes, as defined in section 19a-521, intermediate care facilities for individuals with intellectual disabilities, as defined in 42 USC 1396d(d), and chronic disease hospitals, as defined in section 19a-550, as amended, as of February 5, 2018.
