Bar Examining Committee

At its meeting on February 16, 2018, the Connecticut Bar Examining Committee voted to amend Article III of its Regulations to allow for the concurrent filing of an application for admission by transfer of a UBE score. This allows applicants to file their application for admission by transfer of a UBE score to be filed after such an applicant has filed the application to sit for the UBE in another UBE jurisdiction, but before the applicant’s UBE score has been released. This amendment is effective 90 days from publication in the Law Journal.

ARTICLE III

Admission by Examination and Admission by Transfer of a Uniform Bar Examination Score

Art. III-1.

.

(B) The application for admission by transfer of a Uniform Bar Examination (UBE) score (for which the official forms obtainable from the administrative director must be used) shall be filed within 3 years after attaining a total scaled score of 266 or higher on the UBE taken in any jurisdiction, together with the fee prescribed by Article X (2). A score is considered to have been attained on the date of the administration of the UBE that resulted in the score. Applications for admission by transfer of a UBE score may be filed concurrently any time after an application to sit for the UBE in another jurisdiction is filed with that jurisdiction. Any such concurrent application for admission by transfer of a UBE score must include a copy of the application filed in the other UBE jurisdiction in which the applicant will take the UBE. UBE scores for such concurrent applications must be transferred to the administrative office no later than 31 December for a July exam and no later than 30 June for a February exam. It is the applicant’s responsibility to ensure that his or her qualifying UBE score is transferred to the administrative director by the National Conference of Bar Examiners (NCBE). Applicants shall submit official transcripts of undergraduate and legal education sufficient to satisfy the committee that the applicant’s educational qualifications meet the requirements of Section 2-8 of the Rules.
