

NOTICE OF CONNECTICUT STATE AGENCIES

NOTICE OF INTENT TO AMEND OPERATING PROCEDURES

In accordance with Section 1-121 of the Connecticut General Statutes, notice is hereby given that the Connecticut Green Bank (the “Green Bank”) proposes to amend its Operating Procedures.

Summary of Written Procedures: The Green Bank is proposing the following revisions to its Operating Procedures which may be viewed [here](#): These changes are as follows:

- Revisions in Section XI, Funding Sources and Procedures of General Applicability to Financial Assistance adds language to address new legislative expansion for environmental infrastructure improvements. Additionally, the Procedures of General Applicability to Financial Assistance of this Section XI are revised to remove the provision restricting financing sources to eighty percent (80%) of the project cost for clean energy projects to conform with a legislative change.
- Revisions in Section XII, Financial Assistance – Grants, Loans or Loan Guarantees, Debt and Equity Investments adds language to address new legislative expansion for environmental infrastructure improvements.

Statement of Purpose: The Connecticut Legislature, through Public Act 21-115, an Act Concerning Climate Change Adaptation, expanded Green Bank’s work scope to include environmental infrastructure. This change enables Green Bank to further support local resilience planning options, legal authorities, and financing for adaptation and resilience projects.

Copies of the proposed revised procedures are available at the Green Bank between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday, by contacting Blaire Backman, Corporate Paralegal at 860.541.5105 or by email at Blaire.Backman@ctgreenbank.com. All interested parties may submit comments in connection with the proposed revisions to the Operating Procedures, within thirty days following publication of this notice at Blaire.Backman@ctgreenbank.com.
