	Part D (Class D felonies and all other crimes, violations, motor vehicle violations, and infractions.)	D
Housing Division* (in judicial districts specified by statute)	Part H (Housing matters as defined by Section 47a-68 of the General Statutes.)	H

*NOTE: Housing matters (including certain civil actions, summary process actions, and certain small claims) in those judicial districts without a Housing Session, as specified by a statute, must be made returnable to a judicial district and not to a geographical area.

Family Division

All judges assigned to geographical area (G.A.) courthouses are authorized to adjudicate Family Division Part S (support) actions, notwithstanding the omission of any such specific assignment.

Civil Division

In addition to the specific assignments hereinafter made, all judges may adjudicate civil short calendar matters, administrative appeals, and small claims.

Criminal Division

The Presiding Judges in the judicial district (J.D.) and the associated geographical area court locations shall be exclusively responsible for the transfer of cases from G.A. to J.D. court locations in accordance with the following general policy.

1. All cases involving charges which are to be heard by judges assigned to the Criminal Division at the J.D. courthouse shall be ordered transferred from the G.A. to the J.D. as soon as possible after arraignment. At the time of transfer, the court shall set a date for the appearance of the defendant in the J.D. courthouse.

2. All cases charging factually supported class A or class B felonies, Part A Failure to Appear charges or Part A Violation of Probation charges shall be automatically ordered transferred by the court to the J.D. court location.

- Exceptions to the automatic transfer of these cases may be made by agreement of the Presiding Judges based upon local custom and criteria (e.g., cases involving larceny of a motor vehicle, welfare or agency fraud, etc.).

3. All other cases charging any unclassified felony offense, class C felony, class D felony, misdemeanor offense, motor vehicle charge and infraction shall be retained for disposition in the G.A. courthouse.

- Exceptions to the foregoing shall be considered by the Presiding Judges based upon the severity and nature of the crime, the past record of the defendant, etc., as well as particular local considerations (e.g., narcotics cases involving substantial quantities of narcotics, weapons, cash or other aggravating factors). The transfer of these cases shall not be ordered unless the

Presiding Judges (J.D. and G.A.) have previously agreed upon any such transfer.

4. Cases involving defendants with simultaneous pending charges in both the J.D. and G.A. court locations shall be retained for final disposition in each respective courthouse unless a transfer of all cases to the J.D. is otherwise agreed upon by the J.D. Presiding Judge. In the absence of the transfer of all such files to the J.D. court location, the Presiding Judges shall confer and coordinate any ultimate disposition, taking into consideration all pending charges.

5. Any case not otherwise qualifying for transfer, for which prior approval of the Presiding Judges (J.D. and G.A.) has not been given, shall be returned to the forwarding G.A.

6. Preliminary hearings under Section 54-46a of the General Statutes to determine probable cause for crimes punishable by death, life imprisonment without the possibility of release or life imprisonment shall be heard, unless waived, at judicial district court locations.

Chief Administrative Judge

There are four Chief Administrative Judges: one each for the Criminal Division, Civil Division, Family Division, and Juvenile Division. They have the following responsibilities:

- Represent the Chief Court Administrator on matters of policy affecting their respective divisions.
- Solicit advice and suggestions from the judges and others on matters affecting their respective divisions, including legislation, and advise the Chief Court Administrator on such matters.
- Advise and assist Administrative Judges in the implementation of policies and caseflow programs.

- Periodically meet and confer with judges assigned to their divisions to discuss and exchange information and developments affecting the operations of the division.
- Solicit from Administrative Judges information on the assignment of judges and advise and participate with the Chief Court Administrator in the assignment of judges.
- Coordinate with the Education Committee annual orientation programs for judges as assignments change.

Administrative Judge

Administrative Judges (A.J.s) have the following responsibilities and powers:

- Assign judges within the judicial district as necessary.
- Assume, as necessary, any assignment within the judicial district.
- In the event it is necessary to cover for vacation, illness, or an emergency, reassign any judge assigned within the judicial district to another division, part or court location. Such reassignment shall be temporary and shall not exceed two weeks. Prompt notice of the assignment shall be given to the Office of the Chief Court Administrator.
- Keep informed on the policies of the Judicial Branch.
- Subject to the prior approval of the Chief Court Administrator, determine the courthouse(s) to which jurors shall be initially summoned within the judicial district.
- When required, order that the trial of any case, jury or non-jury, be held in any courthouse facility within the judicial district.

- Represent the Chief Court Administrator in the efficient management of their respective judicial districts on matters affecting the fair administration of justice and the disposition of cases (C.G.S. §51-5a (3)).
- Solicit advice and suggestions from the judges and others on matters affecting their respective judicial districts, including legislation, and advise the Chief Court Administrator on such matters.
- Implement and execute programs and methods for disposition of cases and administrative matters within their respective judicial districts in accordance with policies and directives of the Chief Court Administrator.
- Ensure nondiscriminatory treatment of all persons affected by the court's operations.
- Promote the overall well-being of the judges and be mindful of their needs.
- Provide information to Chief Administrative Judges regarding their assignment needs.
- Keep Chief Court Administrator advised of unusual activity or problems within the judicial district.
- Oversee the daily assignment of a judge to address jurors. This important daily appearance by a judge underscores the importance of citizen participation in the system and serves to reinforce positive public perceptions about the Judicial Branch.
- Oversee the activities of the Judicial Marshal Services.

Assistant Administrative Judge

An Assistant Administrative Judge (A.A.J.) shall have all of the aforementioned responsibilities and powers of the Administrative Judge for such judicial district, provided the A.A.J., in exercising powers, shall not issue orders contravening the orders of the Administrative Judge.

Presiding Judge

Presiding Judges (P.J.s) have the following responsibilities and powers:

- Expediting the disposition, fairly, of the court business to which such judge has been entrusted.
- Reporting to the Administrative Judge and conferring with the Administrative Judge and the appropriate Chief Administrative Judge concerning problems and accomplishments in achieving the aforementioned objective.
- Apportioning among the judges the judicial business to which such judge and other judges have been assigned.

Civil Division short calendars will commence at 9:30 a.m. on Monday of each week unless they are rescheduled due to a holiday or an exception is granted by the Chief Court Administrator.
